ADVANCED TECHNOLOGY

**NAVANA ENGINEERING LTD.**  
(A Concern of Navana Group)

Navana Engineering Limited is Bangladesh's leading manufacturer of uPVC pipes and fittings. NEL have been relentless in its commitment to quality and service. NEL specializes in the production and sale of injection molded fittings for Irrigation, Plumbing, Industrial and Retail markets.

The entire Upvc fittings are manufactured as per internationally accepted quality standards and specifications: ISO standard 4422, BS 4514, BS 5255 and fully complied with AS1NZS 1260.

NEL Upvc fittings are highly resilient and tough with good mechanical strength and high impact resistance. At the same time this system is very light in weight which gives highest benefit to the end user in terms of transportation, installation and long service life.

### NAVANA TEE SECTION
